## **DEAR FRIENDS!**

Dear sports friends, please accept our invitation to the 1. International Summer Jokgu Tournament. The tournament will take place on July 14, 2018 in the City of Čelákovice. This tournament is another part of our successful Work2gether project. This project started in the spring of 2017 when three Korean players became part of the futnet team of Čelákovice and played several matches in the Czech highest league – extraligue.

Jokgu is a sport very similar to futnet and it is a national sport in South Korea as well as futnet in the Czech Republic. Millions of people play jokgu in South Korea and we are planning to bring some of the best players to our tournament. You can also enjoy the Korean referee, typical Korean food as well as demonstrations of Korean culture. All this will help us feel like we were in South Korea. The patron of this event is Tomáš Rosický and the commentator of the tournament will be Pavlín Jirku. World champions in small football will also come to play with their team. Please accept our invitation and come to Čelákovice to try out the jokgu in this special tournament.

**With friendly and sports greetings,  
team Čelákovice.**
